

THE FRIDAY AFTER: KEEPING THE FAITH

Peace Lutheran Church
3201 Camino Tassajara
Danville, CA 94506

**Peace Lutheran Church, in partnership with
the Bay Area Coalition of Welcoming Congregations, and California Faith for Equality
invites you to join us for a faith gathering Friday, May 29, 7:00 p.m.**

We are brokenhearted and angered over the recent decision by the California Supreme Court to uphold Prop 8 and while we take comfort that the existing 18,000 marriages will stand we remain determined in the ongoing pursuit of full equality for *all* Californians.

We invite you to join us this Friday evening in an interfaith opportunity for GLBTQ people, friends and allies to express our collective grief and anger, and then through prayer and healing ritual begin to transform our pain to hopeful determination, re-committing ourselves to the work that lies ahead.

The sanctuary will be open throughout Friday and you are invited to drop by for prayer, meditation and reflection, and our clergy will be available from 10:00 a.m. until 4:00 p.m. for any individuals or couples seeking pastoral care and conversation. Friends from diverse faith traditions or no faith tradition at all are invited to join with us. You are also welcome to walk our outdoor Labyrinth or spend quiet time alone in the beauty and stillness of our Peace Garden.

Time will be set aside during the evening event for the renewal of marriage vows and all couples present are invited to participate. An open reception will follow for everyone in attendance.

***We hope you'll join us for an Evening of Keeping the Faith.
